

SUBJECT INDEX

- Acid. Gastric - Secretion Test by Means of a Radio Transmitter 189
- Anaesthesia. - for Diagnostic Brochoscopy 55
- Angiokeratoma. - Corporis Diffusum (Fabry) 152
- Antibody. Anti-Vel, an Irregular Blood-Group - Directed Against a "Public" Antigen 19
- Antigen. Anti-Vel, an Irregular Blood-Group Antibody Directed Against a "Public" - 19
- Anti-Vel. -, an Irregular Blood-Group Antibody Directed Against a "Public" Antigen 19
- Anuria. The Treatment of - and Eclampsia With Phenoxybenzamine Hydrochloride (Dibenzylin®) 163
- Arterial. - Blood Culture 131
- Arterial. Clinical Determination of the - Oxygen Tension 68
- Arterial. The Effects of By-Pass Protheses on the Collateral - System in the Lower Extremities. . 173
- Arteriography. Blood Pressure Variations During Cerebral - 000
- B_{12} Absorption. Neurological Disorders in Vitamin B_{12} Deficiency With Normal 158, 196
- Bis-. - Or Paralbuminaemia 74
- Blood. Arterial - Culture 131
- Blood-Group. Anti-Vel, an Irregular - Antibody Directed Against a "Public" Antigen 19
- Blood Pressure. - Variations During Cerebral Arteriography 185
- Bronchoscopy. Anaesthesia for Diagnostic - 55
- By-Pass Protheses. The Effects of - on the Collateral Arterial System in Lower Extremities 173
- Cancer. Serum Alkaline Phosphatase and - 84
- Cancer. Variations in the Phosphatase Activity in Two Patients With - of the Prostate and Pernicious Anaemia 171
- Cardiac Compression. Closed Chest - Administered to 177 Patients 93
- Cerebral. Blood Pressure Variations During - Arteriography 185
- Cerebral. Orthopaedic Operations in the Treatment of Children With - Palsy 22
- Clinical Determination. - of the Arterial Oxygen Tension 68
- Collateral. The Effects of By-Pass Protheses on the - Arterial System in the Lower Extremities 173
- Culture. Arterial Blood - 131
- Conduction. - Time and Velocity in Human Recurrent Laryngeal Nerve 125
- Deficiency. Neurological Disorders in Vitamin B_{12} - With Normal B_{12} Absorption 158, 196
- Denmark. Medicostastical Information From - for the Years 1962 and 1963 112
- Ductus Arteriosus. - With Pulmonary Hypertension 149
- Eclampsia. The Treatment of Anuria and - With Phenoxybenzamine Hydrochloride (Dibenzylin®) 163
- Endometriosis. The excretion of Pregnanediol During Gestagen Treatment of - 32
- Enterobacter. A Case of Neonatal Meningitis Caused by a Yellow - 128
- Fabry. Angiokeratoman Corporis Diffusum (-) .. 152
- Gastric. - Acid Secretion Test by Means of a Radio Transmitter 189
- Gestagen. The Excretion of Pregnanediol During - Treatment of Endometriosis 32
- Glove. - Damage as a Route of Wound Infection 1
- Goitres. Thoracic and Thoracocervical - 166
- Gonadotrophin. The Effect of Phychotropic Drugs on - Excretion in Man 132
- Hyperbaric. Traumatic Vascular Insufficiency Treatment With - Oxygen 51
- Hypertension. Ductus Arteriosus With Pulmonary - 149
- Infantile. Operative Treatment of - Hypertrophic Pyloric Stenosis 5
- Jaundice. A Comparison Between the Incidence of - of Unknown Aetiology in Premature Infants (2000 g- 2500 g) And in Underweight, Full-Term Infants (2000 g-2500 g) 35
- Ketoacidosis. - Diabetica 103
- Laryngeal. Conduction Time and Velocity in Human Recurrent - Nerve 125
- Leprosy. Cases of - and Syphilis in the Osteological Collection of the Department of Anatomy, University of Edinburgh 11
- Measles. The - Epidemic at Umanak in Greenland in 1962 43
- Medicostastical. - Information From Denmark for the Years 1962 and 1963 112
- Meningitis. A Case of Neonatal - Caused by a Yellow Enterobacter 128
- Mentally Retarded. Pneumoencephalographic Examination of 207 - Patients 38
- Morquio-Brailsford. -, a Mucopolysaccharidosis.. 80
- Mucopolysaccharidosis. Morquio-Brailsford, a -.. 80
- Neonatal. A Case of - Meningitis Caused by a Yellow Enterobacter 128

Oxygen. Traumatic Vascular Insufficiency Treated With Hyperbaric -	51	Pulmonary. Ductus Arteriosus With - Hypertension	149
Oxygen. Clinical Determination of the Arterial - Tension	68	Pyloric Stenosis. Operative Treatment of Infantile Hypertrophic -	5
Palsy. Orthopaedic Operations in the Treatment of Children With Cerebral -	22	Radio. Gastric Acid Secretion Test by Means of a Radio Transmitter	189
Pancreatis. A Case of Chronic - in Early Childhood	91	Recurrent. Conduction Time and Velocity in Human - Laryngeal Nerve	125
Paralbuminaemia. Bis-Or -	74	Resuscitation. A - Centre for Acute Poisoning ..	145
Parkinson. Tolbutamide in the Treatment of -s Disease, a Double Blind Trial	181	Serum Alkaline Phosphatase. - and Cancer	84
Pernicious. Variations in the Phosphatase Activity in Two Patients With Cancer of the Prostate and - Anaemia	171	Syphilis. Cases of Leprosy and - in the Osteological Collection of the Department of Anatomy, University of Edinburgh	11
Phenoxybenzamine Hydrochloride. The Treatment of Anuria and Eclampsia With - (Dibenzylin®)	163	Thin-Layer-Chromatography. The Urinary Excretion of Pregnanediol in Healthy Women, Determined by -	29
Phono-Angiograph. The - - A Description of a New Apparatus	61	Thoracic. - and Thoracocervical Goitres	166
Phosphatase. Variations in the - Activity in Two Patients With Cancer of the Prostate and Pernicious Anaemia	171	Thoracocervical. Thoracic and - Goitres	166
Pneumoencephalographic. - Examination of 207 Mentally Retarded Patients	38	Tolbutamide. - in the Treatment of Parkinson's Disease, a Double Blind Trial	181
Pneumocystography	193	Vascular. Traumatic - Insufficiency Treated With Hyperbaric Oxygen	51
Poisoning. A Resuscitation Centre for Acute - ...	145	Velocity. Conduction Time and - in Human Recurrent Laryngeal Nerve	125
Pregnanediol. The Urinary Excretion of - in Healthy Women, Determined by Thin-Layer-Chromatography	29	Vitamin B ₁₂ . Neurological Disorders in - Deficiency With Normal B ₁₂ Absorption	158, 196
Pregnanediol. The Excretion of - During Gestagen Treatment of Endometriosis	32	Whipple's Disease. The Diagnosis, Pathogenesis and Treatment of - - Illustrated by Two Cases	138
Premature. A Comparison Between the Incidence of Jaundice of Unknown Aetiology in - Infants (2000 g - 2500 g) And in Underweight, Full-Term Infants (2000 g - 2500 g)	35	Wiskott-Aldrich's. - Syndrome	99
Psychotropic. The Effect of - Drugs on Gonadotrophin Excretion in Man	132	Wound Infection. Glove Damage as a Route of -	1

INDEX OF AUTHORS

Andersen, Knud Fredslund	171	Johnsen, Svend G.	132
Asfeldt, Vivian Harding	103	Johnsen, T. Søgaard	74
Aurup, Lise	185	Jøker, Ragnhild Nissen	128
Aurup, Robert	185	Jørgensen, B. Borch	152
		Jørgensen, M. Borch	152
Bay, Jørgen	55		
Bang, H. O.	29, 32	Klee, Axel	61
Berthelsen, Helge G.	29, 32	Kristensen, M.	181
Birket-Smith, Erik	158, 196	Krøll, J.	131
Borgeskov, S.	166		
Boye, E.	68	Lademann, Axel	80
Brams, L.	55, 93	Littauer, Jørgen	43
Buchmann, G.	93		
Buchthal, Fritz	125	Melchior, J. C.	38
		Mortens, J.	22
Dahl, Gudrun	149	Møller-Christensen, Vilhelm	11
Drachmann, O.	74		
Dreyer, Karen	112	Nordentoft, Axel Munck	84
Dybkjær, Esben	19	Næraa, N.	68
Dybkær, René	138	Nørholm, Thorkild	128
Dyggve, H. V.	38		
		Pedersen, B. Sommer	145
Frandsen, Erna	112	Pedersen, J. E. Poul	93
Friis, Fl. U.	93	Petersen, P. Nørskov	145
		Peytz, Frode	125
Gad, Palle	1		
Grahl-Madsen, Roar	99	Rasmussen, Erik Boje	132
Guldmann, N.	93	Rasmussen, Helmer	125
Gylstorff, H.	38		
		Siboni, Knud E.	128
Hansen, J. Mølholm	181	Skjoldborg, H.	163
Hansen, Ole M.	51	Sterup, Kirsten	189
Hamtoft, Henry	112	Stocklund, Knud-Erik	173
Harboe, N. M. G.	74	Svendsen, P. Just	74
Hasner, E.	166	Sørensen, Kjeld	43
Hastrup, Jørgen	99		
Haxholdt, B. Flemming	51	Terslev, E.	91
		Trolle, Dyre	35
Ingomar, C. J.	91		
Inkster, R. G.	11	Wielandt, Jokum	5
Jacobsen, Bo	61		
Johannessen, Steen	193
